Attention: Group Director of Technology Center 2600

Sir:

It is respectfully requested that the statutory period for replying to the October 21, 2003 Office Action be reset. It is also respectfully requested that the October 21, 2003 Office Action be re-mailed, with the response period starting on the re-mailed date.

On February 12, 2004, a routine status check for this case revealed that a Final Office Action was allegedly mailed on October 21, 2003. However, the Office Action has not been received.

Attached to this communication are three docket records for the law firm of Oliff & Berridge, PLC. Appendix A is a listing of all responses in our office with a due date of January 21, 2004. Had the Office Action been received, it would have been entered into the docketing records showing a base date of October 21, 2003, and a due date of January 21,

2004. The attached docket record for January 21, 2004, does not identify this case by our attorney docket number (109500).

Appendix B is a computerized docket sheet for this particular application showing the docketed due dates for this application. Appendix C is a photocopy of the file jacket for the application where docket entries are entered manually. Had the Office Action been received, the Office Action and the January 21, 2004 due date would have been entered onto the computerized docket sheet and the file jacket.

In view of the foregoing, it is respectfully submitted that: 1) the October 21, 2003, Office Action was not received by Oliff & Berridge PLC; 2) a search of the file jacket and docket records indicates that the Office Action was not received; and 3) the attached docket records show where the non-received Office Action would have been entered had it been received and docketed, and demonstrates that the Office Action under attorney docket number 109500 dated October 21, 2003, was not received nor docketed for a response due on January 21, 2004.

It is respectfully requested that the statutory period for response be reset from the date on which the Office Action will be re-mailed, to reinstate the time which was lost.

As this Petition does not result from any error on the part of the undersigned, it is respectfully submitted that no Petition fee is due. However, the U.S. Patent and Trademark

Office is authorized to debit Account No. 15-0461 in the amount necessary to effect this filing, should a fee be required.

Respectfully submitted,
